

June 9, 2014

Dear Referees,

In order to streamline the referee payment process in the office and to decrease the wait time for your payments, the EODSA is adopting Direct Deposit as the payment method for referees moving forward.

In order to set up your Direct Deposit, you must complete and return the Direct Deposit form and include a Void Cheque (preferred) or your account info from the bank.

If the information is not submitted and a cheque is issued, the EODSA will deduct a \$10 processing fee from each payment.

Please submit the required information by June 20th, 2014 to ensure timely processing for the first payment and subsequent payments this season.

Thank you to all those referees who have already sent in completed forms and are set up with Direct Deposit.

Thanks,

Eastern Ontario District Soccer Association
